

Mother's Pride Senior Secondary School
Assessment Criteria (2026-27)
Grade 1 and 2

Dear Parents,

In accordance with the guidelines of the National Education Policy (NEP) 2020, our school will be implementing a revised examination pattern for Grades 1 and 2.

General Guidelines:

- Informal Assessment only in the first two years of primary school.
- No Formal Exams – assessment is integrated with regular teaching and learning.

Assessment Approach:

- Progress of students will be regularly recorded and shared at the end of each term in a year to ensure that learning is smooth and effective.
- For this each student's development and achievements shall be recorded in the performance profile.
- Students will be assessed on the basis of the teacher's continuous observation in scholastic and co-scholastic areas of learning.

Rules for Evaluation

Evaluations will be done on the basis of overall performance.

- Academic performance
- Participation in co-scholastic activities
- Regularity and Punctuality
- Health and Hygiene

Regards
