

MOTHER'S PRIDE SENIOR SECONDARY SCHOOL
ASSESSMENT SYSTEM (2026-2027)
GRADE- 6,7 & 8

Dear Parent,

As an ongoing commitment towards our student's Academic growth, MPSSS is empowering students to achieve their fullest academic potential. The teaching- learning process starts with lesson planning, keeping in view how children learn best. Teachers follow an Integrated Learning Method to ensure in-depth understanding of the concepts which further facilitates for better academic performance.

We don't see assessment as the culmination of learning cycle. It is rather a process to identify the areas of improvement, leading to the next cycle to enhance learning.

We will provide you a holistic progress report of your ward at the end of each Term through the report card. We will also apprise you of ways to support your child in his/her ongoing learning needs.
